

Océ Options™ OPSCRM2 Scrim Vinyl

Scrim Vinyl Aqueous Inkjet Media

Product Description

A 15 mil tear resistant, waterproof scrim vinyl. Océ Options OPSCRM2 is a matte surface, economical scrim vinyl designed for use with dye and pigment ink on thermal and piezo inkjet printers. Excellent choice for durable outdoor graphics.

Specifications

Physical properties*

- Caliper - 15 mil
- Weight: 445 gsm/m²
- Opacity - 85%
- Whiteness: 90 CIE

* Target Values

Features

- Durable
- Economical
- Dye and pigment ink compatibility
- Tear resistant
- Waterproof

Recommended Storage Conditions and Shelf Life

- Store in clean, dry area away from direct sunlight
- Temperature 67°–77°F. (20°–25°C).
Relative Humidity 45–55%.
- Repack opened rolls when not in use
- Six months at conditions noted above

- Allow material to stabilize to room conditions 24 hours before use.

Environmental, Health & Safety

- No Material Safety Data Sheet required.
- Waste not suited for recycling.

Main Applications

- POP displays
- Trade show banners
- Store front displays

Printer/ Ink Compatibility

Océ OPSCRM2 is recommended for use with dye and pigment inks in most of today's inkjet printers. For a complete compatibility chart on our website go to: www.oceusa.com/imagingsupplies

Print Longevity

- Outdoor life expectancy without noticeable fading - 4 months
- Indoor life expectancy without noticeable fading - 6 months

**Based on accelerated age testing. Actual results may vary based on use.*

Color Profiles

When using this material with Encad inks, utilize the UCR (Under Color Removal) technique that replaces composite black (CMY) with the appropriate amount of black ink. To optimize print quality, printers should be set for the highest print quality and media selection should be "heavy coated." Ink coverage up to 250% is recommended.

Finishing Recommendations

Océ OPSCRM2 can be overlaminated with both thermal (max. 185°F.) and pressure sensitive laminates, for additional scratch resistance and moisture protection when needed. Make sure that prints are completely dry prior to laminating.

This information is presented as a general guide and is not a performance guarantee. The user should independently determine prior to use the suitability of the material for the specific purpose.

Océ display graphics printing inkjet media supplies

Selected available roll sizes

Item Number	Width x Length	Qty. per Carton	Core
OPSCRM2000	24" x 10'	1 sample roll	2"
OPSCRM2001	36" x 45'	1 roll	2"
OPSCRM2002	42" x 45'	1 roll	2"
OPSCRM2003	50" x 45'	1 roll	2"
OPSCRM2004	60" x 45'	1 roll	2"

**Printing for
Professionals**

Océ helps the people who make our world. Companies everywhere use Océ high-speed printing, technical documentation, and professional document systems to keep the wheels of business, industry and government turning. Océ also helps the world. Developing products and services that add value to the document processes of our customers, while minimizing environmental impact and protecting health and safety, has always been one of our core principles. From bank statements to utility bills, from blueprints to newspapers, from on-demand documents to wide-format display graphics and media, Océ helps our professional customers go “Beyond the Ordinary” in print and document management.
