PET White Film

PET White Film

Aqueous Inkjet Media

Product Description

A 5 mil high gloss, fast dry, universally compatible polyester (PET) film. Océ PSWHTFLM is a premium alternative to photopaper with its wide color gamut, low dot gain, and high gloss finish. With its no-tear, lay-flat performance, it is designed for portable display applications where a thinner base is desired yet light blocking is not required. When printed with an Océ custom profile, it optimizes natural skin tones, expanded shadow detail, smooth gradient blends, and neutral grays. Universal compatibility on Epson, Canon®, HP® and Océ photo and proofing printers.
