Glossy Photopaper

Glossy Photopaper Aqueous Inkjet Media

Product Description

An 11 mil (250 gsm) glossy photopaper ideal for wedding, portrait, and traditional black and white photographs. Océ Pro-Select® PSP10G photopaper starts with a true resin coated base to accept higher ink loads without bleed. The specially designed microporous topcoat provides a fast dry, water resistant sheet with universal compatibility on Epson®, Canon®, HP® and Océ photo and proofing printers. Océ PSP10G optimizes natural skin tones, expanded shadow detail, smooth gradient blends and neutral grays.

Specifications

Pro-Select® inkjet media for professionals

Product Description

PSP10G

Important Printer and driver settings need careful set up to ensure the best performance. Appropriate ink loads must be set for the ink/printer combination being used.

Color Profiles ICC Color profiles will improve image quality and optimize ink limits for improved drytime, wider color gamut, and more accurate color matching.
